### 2nd grade spelling words

Learn how to spell a new word by reading it, saying it, spelling it aloud, and writing it. Write each word a couple of times, then fold the paper and try writing it by heart.

Read it! Spell it aloud! Write it three times — the last time without looking!

been	<input checked="" type="checkbox"/>	been	been	_____
every	<input type="checkbox"/>	_____	_____	_____
seen	<input type="checkbox"/>	_____	_____	_____
most	<input type="checkbox"/>	_____	_____	_____
show	<input type="checkbox"/>	_____	_____	_____
line	<input type="checkbox"/>	_____	_____	_____
know	<input type="checkbox"/>	_____	_____	_____
work	<input type="checkbox"/>	_____	_____	_____
knew	<input type="checkbox"/>	_____	_____	_____
hard	<input type="checkbox"/>	_____	_____	_____

### Compound words

Some words are made up of two other words. When two short words make one long word, the long word is called a compound word.

Write the two words without a space between them to make one compound word, like this: head + rest = headrest.

Can you think of a...

lamp + post =	lanternpost	
her + self =	_____	
milk + man =	_____	
hand + bag =	_____	
foot + stool =	_____	

Draw lines to join up these compound words.

foot	card	play	bag
him	cake	school	man
post	ball	post	spoon
pan	self	tea	ground

Now write a list of the compound words that you joined above.

# ENGLISH LANGUAGE ARTS

Second grade is important for building reading and writing skills for the future.

We will begin our week with *Wonders* textbook, which covers all the Grade 2's English state standards. Students will have lots of reading and writing practice this year.

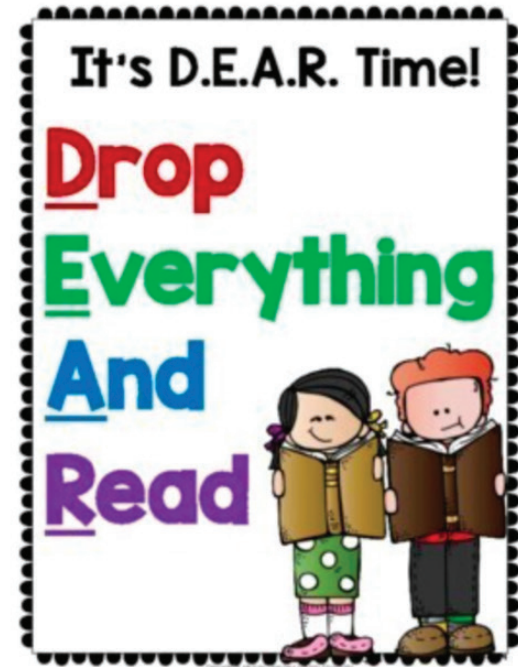

# ENGLISH LANGUAGE ARTS

We are starting ELA class with 20 minutes of DEAR time.

Students need to have quality of reading time.

Highly encourage reading for 20 minutes at home as well.

# ENGLISH LANGUAGE ARTS

## WHY READ 20 MINUTES AT HOME?

Student A Reads	Student B Reads	Student C Reads
❖ 20 minutes per day.	❖ 5 minutes per day.	❖ 1 minute per day
❖ 3,600 minutes per school year.	❖ 900 minutes per school year.	❖ 180 minutes per school year.
❖ 1,800,000 words per year.	❖ 282,000 words per year.	❖ 8,000 words per year.
		
❖ Scores in the 90 <sup>th</sup> percentile on standardized tests.	❖ Scores in the 50 <sup>th</sup> percentile on standardized tests.	❖ Scores in the 10 <sup>th</sup> percentile on standardized tests.

If they start reading for 20 minutes per night in Kindergarten, by the end of 6<sup>th</sup> grade, Student A will have read for the equivalent of 60 school days, Student B will have read for 12 school days, and Student C will have read for 3.
