CLASSROOM RULES

CLASSROOM RULES

To make our class organized and help us learn and work together effectively, we will establish classroom rules.

These rules will help us understand how to behave and what is expected of us while we are in the classroom.

Be Respectful

Treat your classmates, teachers, and school staff with kindness and consideration, 안녕하세요, 감사합니다.

Follow Instructions

Listen attentively and follow directions given by the teacher.

Raise your Hand

When you have something to say or a question to ask, raise your hand and wait to be called on.

Keep the Classroom Clean

Take care of your personal space and help maintain a tidy learning environment.

Use Kind Words

Speak politely to your peers and avoid using hurtful language or teasing.

Respect Personal Belongings

Pay attention during lessons and avoid distracting others.

No personal Toys without teachers permission

Follow Classroom Procedures

Understand and adhere to specific classroom routines, such as entering and exiting the classroom, using technology, or taking turns.

EXPECTATIONS

Kindergarten A Homework Expectations

Parents,

We are looking to make your child's first experience with school as fun and stress-free as possible. With being said, we would like to remind you of the purpose and expectations for your child's homework. Since the beginning of the year, every day from Monday through Thursday, your child has been given one page of 'Math' and 'Korean' worksheet each to work on.

Homework in Kindergarten serves three purposes:

- It reinforces what we are learning in school and provides extra practice for students who return home early or are staying in the after-school program.
- It allows you to see firsthand what types of skills we are working on and how your child is developing those skills.
- It prepares children by installing good study habits & routines early on.

Homework expectations:

- Students receive their homework folder (Red folder) on Mondays or first day of the week, due Fridays or last day of the week.
- On Fridays, if majority students' homework folders come back complete, students get extra indoor activity time.
- Parents would be expected to look at the homework inside the Red folder to check the completion of daily homework.
- Parents look at the communication paper inside the Blue folder to check teacher notes and homework info.
- Parents may email or write on communication sheet.

I recognize that children come to Kindergarten with quite a wide range of skills and abilities. Kindergarten homework assignments are not graded and are meant to be flexible. If you find assignments to be too difficult, feel free to let me know, then I can modify the assignments to meet your child's specific needs. If you find assignments to be too easy, then I can assign work that is more challenging. Similarly, if you prefer your child not to have any additional tasks at home, that is completely acceptable. Feel free to speak with at any point of you are on need of suggestions for modifying your child's homework.

Thank you for your help and support! Please do not hesitate to contact me with any questions or concerns you may have regarding homework!

Hyein Lee

Homework Preference Form

Please indicate your preference for your child's homework assignments:

YES, I would like my child to receive regular homework assignments to complete at home.

NO, I would prefer that my child does not receive additional homework assignments.

Child's Name: _____

Parents' Sign: _____

Please return this form to Ms. Lee by this Friday, 8/25.
Thank you for your cooperation.

Any feedback is greatly appreciated!

TAE KWON DO

SUPPORTING YOUR CHILD

- **Let them Be A Korean Teacher:** Please encourage them to speak and teach Korean to the family at home!
- **Failure is a good thing:** Two thumbs up for your child when they make mistakes. They make a mistake because they are trying. No trying, no changing.
- **Feels are various:** They can feel sad as this is the very beginning of an immersion classroom.

Q & A
